

Student accounts for the All Schools are ready for use. Here is the format for their login:

The computer login is student **First Name.LastName** (example **John.Doe**)

Student email address is FirstName.LastName@student.mauryk12.org (example John.Doe@student.mauryk12.org)

Student Office 365 Login is their email

Student Password is their **First initial, last initial (in Caps)** and **the last 4 of their student ID number**

The exception to this is some accounts had longer names than the amount allowed by Microsoft. A list of these accounts has been sent to the school.
